- N. B. This Copy belonged to Mr. Gaignat
- 1370 Ptolomei Cosmographia Latine Vicentiæ per Hermanum Levilapidem Coloniensem, 1475
- In this Book is this Note : This Edition is so very rare that neither M. Gaignat nor the Duke of Lavalier had it; nor had M. De Boze a Copy of it. De Bure, in his Bibliographia, observes that this Edition has the Defect of being without Maps; but he should have added, that it is the scarcest of all the Editions of Ptolemy, and the first; for certainly that with the Indication of 1462 was printed in 1482.
